For Christmas this year, we will be supporting the Animal Welfare League in their plight to rescue and help needy animals.

Similar to what is done at K-mart, Target and Big W for needy children each Christmas, we will be running a wishing tree. This wishing tree will feature different animals from around NSW who are in care, without a home this Christmas.

We ask our customers to help us make Christmas for these poor animals a little brighter by purchasing a small gift. They are in need of good quality dry or canned food, blankets, pillows,

toys, beds and baskets. There's no need to spend a fortune, just a small donation will be appreciated.

We will have the tree in-store from Tuesday 10 November and can accept your contribution from this date.

If you have any questions, please ask us in-store.

Below are some shots from the day of fun.

This is a debilitating condition that often affects large breeds. Brinkley underwent surgery to correct this condition on Wednesday morning.
