

Barking

Beauties

March/April Newsletter

Welcome to Barking Beauties' first newsletter. In this brief bi-monthly newsletter you will find all sorts of hints and tips to look after your precious pooch. We'll also keep you up to date on all of the latest happenings at Barking Beauties including any of our poochie clients birthdays and special deals in store. Gift vouchers are now available for purchase in store. We hope you enjoy our first edition and look forward to seeing you in store again soon.

Looking After Your Dog

Between Grooms

We recommend you follow these helpful hints to make the most out of your dogs groom.

- Make sure you brush your dog regularly. This will keep them neater and cleaner in between each groom at Barking Beauties. It will also keep them happier as they won't have as many knots to cause them discomfort.
- Spray your dog with a dog friendly deodorising spray to keep them smelling fresh and clean for longer. This is especially useful after it's been raining.
- Clean around your dogs eyes if they have a tendency to tear. This keeps your dog looking cleaner for longer and will also get them used to our groomers being able to handle their faces and their eyes more easily in future visits.

Supporting the RSPCA

Barking Beauties supports the RSPCA and the work they do in our local community. In order to continue this support, we would like to invite all of our customers to participate in the Million Paws Walk as a member of the Barking Beauties team. The Million Paws Walk will take place on Sunday 17 May 2009. The RSPCA is still confirming the venue and we will continue to keep you updated once this has been confirmed. Please express your interest in participating in this walk with you dog to us via phone, email or next time you're in store. Let's get behind the RSPCA and help out where we can!
